were on the wane.

Upper, Gov. Hiram W. Johnson, of California, and his father, Grove L. Johnson, former political leader of the state. For years they have been by Wall Mason: bitter enemies.

adamant. In private they passed each other without a word. The home of each was closed against the other.

The climax was reached when, in the overthrow of the old standpat regime by Hiram Johnson, his aging father went down to a bitter defeat for the state assembly, where he had so long been a shrewd leader.

He ascribed that defeat largely to many years has been estranged from the activities of "his boy" who felt it his son, through personal animosity his duty to further forget consanguinand political feud, yearned for a holi- ity in the larger public responsibilities. Subsequently the wound was deep-

"Christmas is here," he said "and ened. There were important meetings of the bar association in which Grove "I am his father and taught him I. Johnson is a prominent member and that "The Wolves of War" could find everything he knows and he has turn to which the governor, also an attored against me. He sent out the word ney, was not invited. ANNIE RUSSELL'S BREAD SOUFFLE

Up in the Maine Woods Annie Russell has her summer home. Miss Russell and her husband, Oswald Yorke, are among the serious "uplifters" of the drama. Next summer she will star again under the managerial wing of Charles Frohman Those of Miss Russell's friends who have been privi leged to visit her in her mountain home often have eaten, on a summer morning, her bread souffle, made this

Soak 2 cupfuls of stale bread crumbs in hot milk. Add I cupful of grated cheese and beat with an egg beater. Beat 3 eggs until light and add half a teaspoon of paprika. Put a tablespoon of butter in a pan and cook half of the mixture at a time, as this makes two omelets. Cook more slowly than for plain omelet. When it is set, it will be as light as souffle. Fold over the edges and serve immediately.

THE FORUM

Editor of the Bystander Column Being an occasional visitor to you ancient and interesting city and be Beving that I understand some of the conditions which tend to keep this historic place from attaining the place it so well deserves. I wish to offer the following from "Rippling Rhymes"

"Don't sit supinely on roost, but come along and help us boost, for better things of every kind, and leave your kicking clothes behind. O, let us boost for better streets, and softer beds. and longer sheets; for smoother lawns and better lights, and shorter-winded blatherskites; for finer homes, and larger trees, for bats and boots and bumbles bees: shorter hours and longer pay, and fewer thistles in our bay for better grub, and bigger pies, for two more moons to light the skies, AND LET THE WOLVES OF WAR BE LOOSED ON EV ERY MAN WHO DOESN'T BOOST!

It is quite apparent in many ways no better place to spend their holispirit and with no other thought than But now the old man is getting to call attention to a "Little Devil"
